

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 2770 - SB 2652

February 10, 2012

SUMMARY OF BILL: Authorizes subscribers to a utility district to submit names of nominees to be considered for vacancies on the utility district board of commissioners. The utility management review board is directed to develop a process for the nomination and selection of these nominees. The utility district board of commissioners shall state in writing why a nominee was not chosen and a copy of this statement will be sent to the subscriber who made the nomination.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Since each utility management review board is able to develop its own process for receiving nominations to fill vacancies, it is difficult to determine a precise fiscal impact.
- It is assumed that any process a utility management review board implements to receive nominations can be accommodated within existing resources.
- There will not be a significant increase in expenditures to provide, in writing, the reason for a nomination not to be chosen.

CERTIFICATION:
